## Statement of directors' responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Draft Financial Statements at 02 OCTOBER 2008 at 15:50:33 <br> IRISH CANOE UNION LTD (A COMPANY LIMITED BY GUARANTEE) INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF IRISH CANOE UNION LTD

This report is made solely to the company's members, as a body, in accordance with Section 193 of the Companies Act, 1990. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

We have audited the financial statements of Irish Canoe Union Ltd for the year ended 31 December 2007 set out on pages 5 to 17 . These financial statements have been prepared under the accounting policies set out therein.

## Respective responsibilities of the directors and auditors

As described in the statement of directors' responsibilities on page 2 the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and Irish Accounting Standards.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing promulgated by the Auditing Practices Board in Ireland and the United Kingdom.

We report to you our opinion as to whether the financial statements give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland applicable to Smaller Entities and are properly prepared in accordance with the Companies Acts 1963 to 2006. We also report to you whether in our opinion: proper books of account have been kept by the company; whether, at the balance sheet date, there exists a financial situation requiring the convening of an extraordinary general meeting of the company; and whether the information given in the directors' report is consistent with the financial statements. In addition, we state whether we have obtained all the information and explanations necessary for the purposes of our audit, and whether the company's balance sheet and its profit and loss account are in agreement with the books of account.

We report to you if, in our opinion, any information specified by law regarding the directors' remuneration and transactions is not given and, where practicable, include such information in our report.

We read the directors' report and consider the implications for our report if we become aware of any apparent misstatements within it.

## Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

We have undertaken the audit in accordance with the requirements of APB Ethical Standards including APB Ethical Standard - Provisions Available for Small Entities, in the circumstances set out in note 13 to the financial statements.

## Opinion

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the company's affairs as at 31 December 2007 and of its profit for the year then ended; and
- $\quad$ have been properly prepared in accordance with the requirements of the Companies Acts, 1963 to 2006.

We have obtained all the information and explanations we consider necessary for the purposes of our audit. In our opinion, proper books of account have been kept by the company. The financial statements are in agreement with the books of account.

In our opinion, the information given in the directors' report is consistent with the financial statements.
The net assets of the company, as stated in the balance sheet, are more than half of the amount of its called up share capital and, in our opinion, on that basis there did not exist at 31 December 2007 a financial situation which, under section 40(1) of the Companies (Amendment) Act 1983, would require the convening of an extraordinary general meeting of the company.
